

For Immediate Release

COVID-19 Procedures

We at Arrow Dance Studio take the health and safety of our dancers seriously. We have developed the following procedures to reduce the risk associated with COVID-19:

- You must not attend if you have any COVID-19 symptoms or like symptoms (cough, sore throat, fever)
- Do not attend if you are unwell in any way, are under isolation order, or have travelled outside of Canada in the last 14 days
- Parents must remain outside of the building at all times.
- Please arrive no more than 5 minutes before start time
- Dancers must remain 2m apart outside as they wait to be checked-in by their teacher.
- All dancers must sanitize hands upon entry/exit of the building.
- All dancers must practice social distancing by adhering to studio guidelines.
- Please arrive dressed in dance clothes; dancers will not be permitted to change in washrooms.
- No outside toys, or food permitted. When possible leave bags and unneeded items home.
- All payments must be made with credit card, e-transfer or PayPal (no cash).
- Classroom, washrooms and props will be thoroughly sanitized between each class.
- Class end and start times will be modified to allow sanitization of the building.
- Bring a water bottle – Students will not be allowed to use the kitchen to access cups.
- Masks are not required
- If a dancer exhibits symptoms during class, they will be isolated to a section of the room and a mask will be put on. The guardian will be notified to come immediately and pick up the dancer.
- Classes will have optional livestream for those not ready to return; contact Richele for information regarding “dancing from home”
